PROFESSIONAL EXPERIENCE

Black Mountain College Semester Project, (Boone, NC)
The Black Mountain College Project is an interdisciplinary collaboration across Appalachian State University departments and community partners to recognize and continue the legacy of experimental education.
Project Manager, August 2017-August 2018
Research Associate January - July 2017
Research Assistant August - December 2016

- Investigator, Black Mountain College Semester Project, North Carolina Humanities Council (\$20,000), PI: William Schumann
- Co-chair, project working group, grant writer on five grant proposals
- Design team, developed digital timeline of Black Mountain College
- Analyzed archival holdings in regional collections for artifacts
- Identified over seventy pieces of art and thirty archival documents for public exhibitions in two partnering museums.

Turchin Center for Visual Arts, (Boone, NC)
Curatorial Assistant, May 2017-August 2018
Curatorial Intern, August 2016-May 2017

- Attended curatorial review meetings, negotiated artwork acquisition, assisted with installation/de-installation of 30+ exhibits a year
- Linked science and art through emphasis on social and environmental justice in exhibits and collaborations with multiple departments on campus and the community

The English Business (Sevilla, Spain)
English Teacher, January-July 2015

- Formulated lesson plans and taught 4 levels of English from elementary school to 'business English'

Boys and Girls Club of Chicago (Chicago, IL)
Arts Education and Volunteer Coordinator, 2014-2015

- Recruited volunteers, managed placement and engagement opportunities, facilitated Big Brothers Big Sisters programming
- Designed and implemented a symbiotic arts/recycling program based on sustainability and creativity
- Planned and facilitated cultural expression workshops and events that eased the tensions between diverse group of youth
- Awarded grant funding for field trips in Illinois and Indiana

La Meridiana International School of Ceramics (Certaldo, Italy)

Studio Assistant, 2013

- Facilitated classes with master potters, prepared/maintained studio spaces, provided English translation, apprenticed in campus kitchen with cook in Slow Food movement

Boys and Girls Clubs of Greater Kalamazoo (Kalamazoo, MI)

Youth Development Professional, 2011-2013

- Designed and implemented arts programming in printmaking, sculpture, painting/drawing, and art history
- Awarded grant through Western Michigan University to buy sketchbooks and canvases for 40 youth, culminating in a month-long exhibit at WMU

**FIELD
EXPERIENCE**

New River Conservancy, (West Jefferson, NC)

Assessing Riparian Health and Land Use on the New River of Ashe County, NC, Appalachian Teaching Project Grant, Appalachian Regional Commission. 2017

Research Assistant

PI: William Schumann

New River Community Partnership, Appalachian Teaching Project Grant, Appalachian Regional Commission. 2016

Research Assistant

PI: Tom Hansell

- Created geographically correct 32-foot 'river of trash' in gallery utilizing items from over 15 river clean-ups along the New River, 6-month exhibit "Collective Vigilance: Speaking for the New River" visualized ecological disaster and encouraged civic engagement and environmental stewardship
- Mediated a network of eight community partners working in similar or complementary sectors, created webpage for computer gallery to allow visitors to find opportunities to donate and volunteer, invited partners to exhibit opening and celebrations to enhance networks
- Designed presentation poster and presented grant-funded research in December 2016 and 2017 through Appalachian Regional Commission's Appalachian Teaching Project, Washington D.C.
- Completed five miles of water quality monitoring along New River, organized GIS data and subsequent research for dissemination, completed surveys at two state park locations concerning attitudes towards conservation and recreational development

Bangkok and Chiang Mai, Thailand: (December 2016, 2017) oral history and eco-voluntourism ethnographies

Italy: (2013-2014) field research on organic farms and sustainability via World Wide Opportunities on Organic Farms
